## INTERNAL / EXTERNAL CALL

### The Institute

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** is a scientific foundation which mission is to improve health and quality of life of the population, through the production and dissemination of scientific knowledge, training of researchers to an international standard, and promoting health innovation and the incorporation of medical advances in clinical practice and healthcare policies. Created in 1992, the institute was attached to the Autonomous University of Barcelona (UAB) in 2003, and since 2011 it is part of the Government of Catalonia's CERCA Programme.

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the **UICEC Sant Pau**:

**T4A- Junior Research Technician**

### **About the Unit / Group:**

The UICEC Sant Pau provides comprehensive support to researchers in the development of independent research projects promoted by the Sant Pau Research Institute (and not promoted by the pharmaceutical industry) in methodological, regulatory, administrative, economic, and practical aspects, subject to compliance with ethics, legislation, and good clinical practice standards.

The UICEC of Sant Pau is part of the Spanish Clinical Research Network, an organization that supports the development of independent multicenter clinical trials and belongs to the SCREN platform (Spanish Clinical Research Network ISCIII).

### **Essential requirements**

- Graduates; Engineers; Architects; Graduates with Grade  $\geq 300$  ECTS assigned to Level 3 (Master); Graduates with a Master's degree ( $\geq 300$  ECTS); Diploma holders, Technical Engineers and Architects with a Master's Degree Level 3
