

INTERNAL / EXTERNAL CALL

The Institute

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** is a scientific foundation which mission is to improve health and quality of life of the population, through the production and dissemination of scientific knowledge, training of researchers to an international standard, and promoting health innovation and the incorporation of medical advances in clinical practice and healthcare policies. Created in 1992, the institute was attached to the Autonomous University of Barcelona (UAB) in 2003, and since 2011 it is part of the Government of Catalonia's CERCA Programme.

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research", since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the group of NEUROMUSCULAR DISEASES:

AC6- Study Coordinator

About the Unit / Group:

The Neuromuscular Diseases Unit at the Hospital de la Santa Creu i Sant Pau is a multidisciplinary unit with extensive experience in the diagnosis, treatment and research of neuromuscular diseases of all types. It is a team in which clinical and research activity, both clinical and basic, overlap and interrelate perfectly and in which the resolution of clinical problems involves laboratory workers and in which the focus of basic research is done from the point of view of clinical utility.

The Unit is therefore made up of Neurologists who are experts in neuromuscular diseases and have extensive experience in electromyography, as well as training and interest in basic research; by basic researchers with interest and experience in translational research projects; by expert nurses in coordinating projects, clinical studies and databases; and by laboratory technicians who are experts in basic and translational research and in the organization and management of sample banks.

Essential requirements

- Minimum qualification required: Higher Studies (Bachelor, Diploma or Degree) in Health Sciences.
- Specific training in Clinical Trials (Master's in monitoring Clinical Trials) or 2 years previous experience in a similar position.
- Training in Good Clinical Practice and Quality standards.
- Oral and written knowledge of the two official languages of Catalonia or, failing this, the selected candidate must demonstrate, or undertake to acquire, within a period not exceeding one year, a correct knowledge of two official languages in Catalonia.
- Advanced level of English
- Advanced level of office tools (Excel, Word, Power Point, etc.).

Skills will be valued

- Experience in Clinical Trials and projects in Neuromuscular Diseases (inflammatory neuropathies, ALS, myasthenia gravis, myopathies...)
- Experience in academic or non-commercial clinical trials

Functions

- Coordination and launch of the Unit's clinical trials (contract process coordination, feasibility...)
- Coordination of start-up meetings, monitoring and closing of rehearsals
- CRF data entry, "query" resolution, shipment management
- Supervision of the invoicing process.

Offered

- Indefinite contract linked to the research line IMMUNOMEDIATED NEUROMUSCULAR DISEASES
- Annual working day of 1,627.50 hours (37.5 hours/week)
- Remuneration according to agreement
- Research Group: NEUROMUSCULAR DISEASES

Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu i Sant Pau Hospital Research Institute Foundation, address ir_seleccio@santpau.cat , indicating the reference **2024/155**:

**(1) Application letter and updated Curriculum Vitae
and signed Data Processing Authorization****

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Applications will be resolved within a maximum period of one month from the end of the deadline for submission of documentation. AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpd@santpau.cat.
