

INTERNAL / EXTERNAL CALL

The Institute

The **Research Institute Foundation of Hospital de la Santa Creu i Sant Pau** is a scientific foundation whose mission is to improve the health and quality of life of the population through the production and dissemination of scientific knowledge, the training of researchers at an international level, and the promotion of innovation and health by incorporating medical advances into clinical practice and healthcare policies. Founded in 1992, it was affiliated with the Autonomous University of Barcelona (UAB) in 2003 and has been part of the CERCA Programme of the Generalitat de Catalunya since 2011.

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the Molecular Neurodegeneration Group:

A3B- Senior European Project Management Technician

About the Unit / Group:

The Molecular Neurodegeneration Group applies proteomic and genomic techniques to understand the process of synaptic degeneration, an early event in neurodegenerative diseases and psychiatric disorders. The identification of protein biomarkers and genetic risk factors is meticulously validated in clinical and neuropathological studies.

We are seeking a Project Manager to support an EU-funded grant within the Horizon Health Cluster for the project duration. The Project Manager will report to the Project Coordinator and work closely with IR-Sant Pau researchers and collaborators across the EU to ensure the successful completion and timely delivery of project outcomes. The role includes coordination with, and support from, the International Projects Office of our institution.

Essential requirements

- Minimum qualification required: Higher Education (Bachelor's Degree, University Degree) or equivalent, specific to the area to be covered
- Minimum 4 years of accredited professional experience as a Junior Administrative Technician or equivalent.
- High Level of English
- Advanced knowledge of office tools (excel, word, power point, etc).

Skills will be valued

- Proficiency in the two official languages of Catalonia, both spoken and written. A C-level of Catalan is preferred; alternatively, the selected candidate must commit to acquiring proper proficiency in both languages within a maximum of one year.
- Experience in the administrative management of projects funded by the European Commission.
- Prior experience in project management and administrative tasks.
- Knowledge of transversal research aspects such as ethics, gender dimension, open science, and innovation.
- A PhD or extensive research experience.
- PMP certification or training in project management.
- Motivation and a team-oriented attitude.
- Pragmatic and problem-solving mindset.
- Experience in handling multiple deadlines, planning skills, and the ability to

prioritize tasks, services, collaborations with partners, and compliance with external funding requirements, organizational regulations, etc.

Functions

- Act as the point of contact between the coordinator and consortium members across the EU.
- Coordinate with the consortium to ensure reports and deliverables are submitted to the Commission on time.
- Manage and supervise project tasks (deliverables, protocol sharing, data collection, reporting) to ensure timely and budget-compliant completion.
- Organize online meetings (reminders, agendas, minutes) for consortium members and advisory boards.
- Organize public-facing events (venues, catering, invitations).
- Arrange in-person consortium meetings (venues, catering, travel, agenda).
- Troubleshoot issues to help the consortium overcome challenges.
- Manage each work package (WP) in collaboration with WP leaders (deadlines, milestones, deliverables).
- Address scientific activity-related issues arising during the project lifecycle.
- Monitor project budget finances in collaboration with the grants office.

Offered

- Permanent contract linked to the project Synaptic Mental Disorders and Neurodegenerative Diseases: Towards More Effective Diagnosis and Management of Psychiatric Symptoms (SINAPSIA).
- Annual working hours: 1,627.50 hours (37.5 hours/week).
- Salary as per agreement.
- Research Group: Molecular Neurodegeneration.

Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu i Sant Pau Hospital Research Institute Foundation, address ir_seleccio@santpau.cat , indicating the reference **2024/193**:

**(1) Application letter and updated Curriculum Vitae
and signed Data Processing Authorization****

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Applications will be resolved within a maximum period of one month from the end of the deadline for submission of documentation. At the end of this period, without having been notified of an express resolution, the interested parties will be entitled to understand that their applications have been rejected.

Santa Creu i Sant Pau Hospital Research Institute Foundation may declare this call for applications closed if, according to its criteria, the candidates does not meet the conditions that the Institution considers necessary to fill the position.

The interpretation of the requirements and their enforceability to the candidates will be exclusive to the Santa Creu i Sant Pau Hospital Research Institute Foundation.

****It is essential to attach the duly signed data processing authorization (document attached at the end of the call)*****

**The deadline for submitting applications
will end on December 26th ,2024, at 3:00 p.m.**

Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau, sited at C. Sant Quintí, 77-79, 08041, Barcelona, Tel: 93 291 90 50, NIF: G-60136934, as Data Controller and in compliance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) and the Organic Law 3/2018 of 5th of December, on the protection of personal data and the guarantee of digital rights, will treat your data with the sole purpose of developing this call. The legal basis for this treatment is the article 6.1 a, c and f from the GDPR, giving that we will ask for your consent, the treatment is necessary for the application of precontractual measures and its necessary to satisfy the legitimate interests pursued by the Data Controller.

The data will be kept during the necessary time to develop the call. AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpd@santpau.cat.
