

INTERNAL / EXTERNAL CALL

The Institute

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** (IR Sant Pau) is a scientific foundation whose mission is to improve the health and quality of life of the population, through the production and dissemination of scientific knowledge, the training of researchers at international level and the promotion of innovation and health through the incorporation of medical advances in clinical practice and health policies. Created in 1992, it is a research center of excellence attached to the Universitat Autònoma de Barcelona (UAB) since 2009 and, since 2011, it has been a CERCA center (Centres de Recerca de Catalunya).

For the Foundation, it is a priority to ensure that the recruitment of the most suitable candidate to fill a job is done through an open, transparent and merit-based (OTM-R) selection process. Following these guidelines will promote the mobility of staff, the exchange of knowledge and, ultimately, the increase in the quality of teaching and research. Faithful to the commitment to the human resources strategy of the European Union, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee everyone equal access to employment. Therefore, the constitutional principles of equality, merit and capacity are followed, respecting in any case the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the recruitment of researchers (C&C). The principles of C&C are applicable for the recruitment of any staff of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R&D in Research" awarded to the IIB Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the Research Group on Parkinson's Disease and Other Movement Disorders:

T4A- Junior Senior Technician

About the Unit / Group:

The Research Group on Parkinson's Disease and Other Movement Disorders is a multidisciplinary group composed of professionals specializing in neurology, neuropsychology, nursing, biology, and engineering. The Group has a solid track record in research on neurodegenerative diseases that present with movement disorders, with notable contributions in the fields of Parkinson's and Huntington's diseases.

For this call, a candidate with a master's degree in Neuropsychology is needed, who will join the research line on Huntington's disease, contributing to ongoing research projects as well as the execution of clinical trials.

Essential requirements

- Bachelor's or Master's Degree in Psychology
- Master's Degree in Neuropsychology
- High level of spoken and written English
- Advanced computer skills
- Advanced statistical analysis proficiency with SPSS, R, etc.
- Proficiency in the spoken and written forms of both official languages of Catalonia
- Advanced proficiency in office tools (Excel, Word, PowerPoint, etc.)
- Advanced knowledge of structural and functional neuroanatomy
- Advanced knowledge of cognitive neurophysiology

Skills will be valued

- Previous experience in organizing, coordinating, and developing research projects in neuroscience.
- Previous experience in clinical trials involving movement disorders.
- Previous experience in neuropsychological evaluation of individuals with Parkinson's and Huntington's diseases.
- Scientific publications in indexed journals.
- Oral scientific presentations at conferences.

Functions

- Support for the research structure dedicated to Parkinson's and Huntington's diseases in the group, with the following specific tasks:
 - o Neuropsychological assessment of the cohort of individuals with Parkinson's disease.
 - o Neuropsychological assessment of candidates for deep brain stimulation.
 - o Neuropsychological assessment of individuals with Huntington's disease in the Enroll-HD cohort.
- Statistical analysis and preparation of results derived from projects studying the mechanisms involved in the expression of different cognitive and behavioral phenotypes in movement disorders.
- Coordination of programming, acquisition, and analysis of MRI data.

Offered

- Permanent contract linked to the research line on Huntington's disease.
- Annual work schedule of 1,627.50 hours (37.50 hours per week).
- Salary according to agreement.
- Research Group: PARKINSON'S DISEASE AND OTHER MOVEMENT DISORDERS.

Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu i Sant Pau Hospital Research Institute Foundation, address ir_seleccio@santpau.cat, indicating the reference **2024/197**:

**(1) Application letter and updated Curriculum Vitae
and signed Data Processing Authorization****

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Applications will be resolved within a maximum period of one month from the end of the deadline for submission of documentation. At the end of this period, without having been notified of an express resolution, the interested parties will be entitled to understand that their applications have been rejected.

Santa Creu i Sant Pau Hospital Research Institute Foundation may declare this call for applications closed if, according to its criteria, the candidates does not meet the conditions that the Institution considers necessary to fill the position.

The interpretation of the requirements and their enforceability to the candidates will be exclusive to the Santa Creu i Sant Pau Hospital Research Institute Foundation.

****It is essential to attach the duly signed data processing authorization (document attached at the end of the call)****

**The deadline for submitting applications
will end on December 31th, 2024, at 3:00 p.m.**

Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau, sited at C. Sant Quintí, 77-79, 08041, Barcelona, Tel: 93 291 90 50, NIF: G-60136934, as Data Controller and in compliance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) and the Organic Law 3/2018 of 5th of December, on the protection of personal data and the guarantee of digital rights, will treat your data with the sole purpose of developing this call. AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpd@santpau.cat.
