

INTERNAL / EXTERNAL CALL

The Institute

The **Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau** (IR Sant Pau) is a scientific foundation whose mission is to improve public health and quality of life through the production and dissemination of scientific knowledge, training researchers at an international level, and promoting innovation and health by incorporating medical advances into clinical practice and healthcare policies. Established in 1992, it has been a center of research excellence affiliated with the Universitat Autònoma de Barcelona (UAB) since 2009 and a CERCA (Centres de Recerca de Catalunya) center since 2011.

For the Foundation, it's a priority to ensure that the recruitment of the most suitable candidate to cover a job is carried out through an open selection process, transparent and merit-based (OTM-R). Following these guidelines will promote the mobility of staff, the exchange of knowledge and, ultimately, the increase in the quality of teaching and research. Faithful to the commitment to the human resources strategy of the European Union, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee everyone equal access to a work placement. Therefore, the constitutional principles of equality, merit and capacity are followed, respecting in any case the national and international regulations in force in this area, specifically the European Charter of the Investigator and the Code of Conduct for the recruitment of Researchers (C&C). The principles of C & C are applicable for the recruitment of any staff of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of the "Excellence in R + D in Research" granted to the IIB de Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the **Research Group on Parkinson's Disease and other Movement Disorders**:

R2A – Postdoc Junior

About the Unit / Group:

The Research Group on Parkinson's Disease and other Movement Disorders is a multidisciplinary team of professionals specializing in neurology, neuropsychology, nursing, biology, and engineering. The Group has a solid track record in research on neurodegenerative diseases associated with movement disorders, with significant contributions in the fields of Parkinson's and Huntington's diseases. For this position, we are seeking a candidate with a Master's in Neuropsychology to contribute to the Huntington's disease research line, supporting ongoing research projects and conducting clinical trials.

Essential requirements

- Doctorate degree (less than 5 years)
- Medical degree with a specialty in neurology
- High level of spoken and written English
- Advanced computing skills
- Proficiency in statistical analysis using SPSS, R, etc.
- Proficiency in both official languages of Catalonia (spoken and written)
- Advanced skills in office tools (Excel, Word, PowerPoint, etc.)
- Advanced knowledge of structural and functional neuroanatomy
- Advanced knowledge in molecular biology

Skills will be valued

- Previous experience in organizing, coordinating, and developing research projects and clinical trials in Movement Disorders
- Prior experience in neurological evaluations of patients with Parkinson's, atypical parkinsonisms, and Huntington's diseases
- Scientific publications in indexed journals
- Oral scientific communications at conferences

Functions

- Coordination of the research line on primary and secondary tauopathies
- Preparation of project proposals for future funding calls

- Follow-up of a cohort of patients with Parkinson's, atypical parkinsonisms, and Huntington's diseases
- Coordination with the molecular biology laboratory
- Statistical analysis and preparation of results derived from projects studying mechanisms involved in the expression of various clinical phenotypes in primary and secondary tauopathies

Offered

- Permanent contract linked to the research line "Cognitive Impairment and Behavioral Alterations in Parkinson's Disease"
- Annual working hours: 1,627.50 (37.5 hours/week)
- Salary as per agreement
- Research Group: Parkinson's Disease and other Movement Disorders

Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu i Sant Pau Hospital Research Institute Foundation, address ir_seleccio@santpau.cat , indicating the reference **2025/011**:

(1) Application letter and updated Curriculum Vitae and signed Data Processing Authorization**

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Applications will be resolved within a maximum period of one month from the end of the deadline for submission of documentation. At the end of this period, without having been notified of an express resolution, the interested parties will be entitled to understand that their applications have been rejected.

Santa Creu i Sant Pau Hospital Research Institute Foundation may declare this call for applications closed if, according to its criteria, the candidates does not meet the conditions that the Institution considers necessary to fill the position.

The interpretation of the requirements and their enforceability to the candidates will be exclusive to the Santa Creu i Sant Pau Hospital Research Institute Foundation.

****It is essential to attach the duly signed data processing authorization (document attached at the end of the call)*****

**The deadline for submitting applications
will end on February 4th 2025, at 3:00 p.m.**

Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau, sited at C. Sant Quintí, 77-79, 08041, Barcelona, Tel: 93 291 90 50, NIF: G-60136934, as Data Controller and in compliance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) and the Organic Law 3/2018 of 5th of December, on the protection of personal data and the guarantee of digital rights, will treat your data with the sole purpose of developing this call. The legal basis for this treatment is the article 6.1 a, c and f from the GDPR, giving that we will ask for your consent, the treatment is necessary for the application of precontractual measures and its necessary to satisfy the legitimate interests pursued by the Data Controller.

AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpd@santpau.cat.
